The Visa Officer
The Royal Thai Embassy, Cairo, Egypt

Oct 15, 2025

Dear Sir/Madam,

Analog Devices Microelectronics is an Egyptian company formed in 2022 according to the Egyptian Laws. The company is owned by Analog Devices Inc., (ADI on the NASDAQ stock Exchange.

The focus of Analog Devices Microelectronics is to design, layout, and test Analog and Mixed-Signal Semiconductor Integrated Circuit products. Analog Devices Microelectronics currently employs 64 employees and is located on Building Al Arafa, street No. 15, Ground Floor, Nasr City, Public Free Zone New Cairo, 11816, Cairo, Egypt.

This is to certify that OMAR AHMED FAHMY AHMED YOUSSEF, holder of an ordinary Egyptian passport no. A41939355, issued on 29/06/2025 and expires on 28/06/2032, has been working at ANALOG DEVICES as a full-time employee and has been working as SYSTEM/DIGITAL DESIGN ENGINEER since 28/07/2025. His current gross salary is $2000 per month.

Mr. OMAR is willing to travel to your country during his vacation and will return to Egypt to resume his job responsibilities upon returning from this trip. Therefore, we will appreciate granting him an entry visa.

The document has been drafted at the request of the employee without any liability on the company. If you have any questions regarding OMAR's employment, please contact our office.

Best Regards,

Amr Alaa Eldin
