(the "Company") 2022 Employee Stock Purchase Plan (the "Plan"), you hereby elect to participate in the Plan and subscribe to purchase shares of Common Stock in accordance with the Plan and this Global Enrollment Agreement, including any additional terms and conditions for participants outside the U.S. set forth in any addendum attached hereto (the "Addendum") (collectively, the "Enrollment Agreement"). Capitalized terms used but not defined in this Enrollment Agreement shall have the same meanings assigned to them in the Plan.

1. Review of Company's Prospectus and Plan. You acknowledge that you have received a copy of the Plan and its accompanying prospectus. You understand that your participation in the Plan is in all respects subject to the terms of the Plan and this Enrollment Agreement.

2. Effectiveness of Enrollment Agreement. You hereby agree to be bound by the terms of the Plan. The effectiveness of this Enrollment Agreement is dependent upon your eligibility to participate in the Plan.

3. Authorization for Contributions. You authorize contributions in accordance with the Plan in that percentage of your Compensation as indicated by your election via the electronic enrollment tool or other process prescribed by the Company. You acknowledge that a lesser percentage of your Compensation than indicated by you may be contributed if necessary to comply with applicable laws (including, without limitation, applicable laws related to minimum salary requirements and Section 423 of the Code, as applicable).

4. Accumulation of Contributions and Purchase of Shares of Common Stock. You understand that your deductions will be accumulated for the purchase of shares of Common Stock, at the applicable Option Price determined in accordance with the Plan. You understand that the Plan is a voluntary plan and that any contributions you elect to contribute to the Plan are made on an entirely voluntary basis. You further understand that except as otherwise set forth in the Plan, the shares will be purchased for you automatically on each Exercise Date unless you become ineligible to participate or otherwise withdraw from the Plan by giving notice to the Company in accordance with the Plan. You agree to execute a separate participation agreement with the Company or the Employer (as defined below), or any other agreement or consent that may be required by the Company or the Employer in connection with your authorization to participate in the Plan, either now or in the future. You understand that you will not be able to participate in the Plan if you fail to execute any such consent or agreement.

5. Re-Enrollment. You understand that this Enrollment Agreement will automatically re-enroll you in all subsequent Offerings unless you withdraw from the Plan or you become ineligible to participate in the Plan. You also understand that, subject to the provisions of and deadlines specified in the Plan, you may freely withdraw from participation in the Plan and receive a full refund of all contributions you have made under the Plan that have not been applied toward the purchase of shares of Common Stock. You further understand that your participation in the Plan

in any subsequent Offering will be governed by the terms and conditions of the Plan, any sub-plan to the Plan, and the Enrollment Agreement in effect at that time, subject to your right to withdraw from the Plan in accordance with the withdrawal procedures in effect at that time.

6. Employment Relationship. Nothing in this Enrollment Agreement nor the grant of the Option shall confer upon you any right to continue your employment with the Company or, if different, the Designated Company employing you (the "Employer") or interfere in any way with the right of the Company or the Employer to terminate your employment at any time.

7. Termination, Suspension, Modification. The Company, in its discretion, may elect to terminate, suspend or modify the terms of the Plan at any time, to the extent permitted by the Plan. You agree to be bound by such termination, suspension or modification regardless of whether notice is given to you of such event, subject in any case to your right to timely withdraw from the Plan in accordance with the Plan withdrawal procedures then in effect.

8. Responsibility for Taxes.

   (a) You acknowledge that, regardless of any action taken by the Company or the Employer, the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to your participation in the Plan and legally applicable to you ("Tax-Related Items") is and remains your responsibility and may exceed the amount, if any, actually withheld by the Company or the Employer. You further acknowledge that the Company and/or the Employer (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Option including, but not limited to, the grant or exercise of the Option, the subsequent sale of shares of Common Stock acquired pursuant to such exercise; and (ii) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Option to reduce or eliminate your liability for Tax-Related Items or achieve any particular tax result. Further, if you are subject to Tax-Related Items in more than one jurisdiction, you acknowledge that the Company and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

   (b) In connection with the relevant taxable or tax withholding event, as applicable, you agree to make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all Tax-Related Items. In this regard, you authorize the Company and/or the Employer, or their respective agents, at their discretion and with no obligation to do so, to satisfy any applicable withholding obligations with regard to Tax-Related Items by one or a combination of the following:

      i. withholding from your wages or other cash compensation payable to you by the Company, the Employer or any other Designated Company;

      ii. withholding from proceeds of the sale of shares of Common Stock acquired at exercise of the Option either through a voluntary sale or

through a mandatory sale arranged by the Company (on your behalf pursuant to this authorization) without further consent;

iii. withholding shares of Common Stock to be issued upon exercise of the Option; and/or

iv. any other methods approved by the Administrator and permitted by applicable laws.

(c) The Company may withhold or account for Tax-Related Items by considering statutory withholding amounts or other applicable withholding rates, including maximum applicable rates in your jurisdiction(s). In the event of over-withholding, you may receive a refund of any over-withheld amount (with no entitlement to the equivalent in shares of Common Stock) or, if not refunded, you may be able to seek a refund from the local tax authorities. In the event of under-withholding, you may be required to pay additional Tax-Related Items directly to the applicable tax authority or to the Company and/or the Employer. If the obligation for Tax-Related Items is satisfied by withholding in shares of Common Stock, you are deemed, for tax purposes, to have been issued the full number of shares of Common Stock subject to the exercised Option, notwithstanding that a number of the shares of Common Stock is held back solely for the purpose of paying the Tax-Related Items.

(d) Finally, you agree to pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold or account for as a result of your participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the shares of Common Stock or the proceeds of the sale of shares of Common Stock, if you fail to comply with your obligations in connection with the Tax-Related Items.

9. Compliance with Law. Notwithstanding any other provisions of the Plan or this Enrollment Agreement, unless there is an exemption from any registration, qualification or other legal requirement applicable to the shares of Common Stock, the Company shall not be required to deliver any shares of Common Stock issuable upon exercise of the Option prior to the completion of any registration or qualification of the shares of Common Stock under any U.S. or non-U.S. local, state or federal securities or exchange control law or regulation or under rulings or regulations of the U.S. Securities and Exchange Commission ("SEC") or of any other governmental regulatory body, or prior to obtaining any approval or other clearance from any U.S. or non-U.S. local, state or federal governmental agency, which registration, qualification or approval the Company shall, in its absolute discretion, deem necessary or advisable. You understand that the Company is under no obligation to register or qualify the shares of Common Stock with the SEC or any U.S. or non-U.S. state or other securities commission or to seek approval or clearance from any governmental authority for the issuance or sale of shares of Common Stock and the inability of the Company to obtain approval from any regulatory body having authority deemed by the Company to be necessary for the lawful issuance and sale of any shares of Common Stock pursuant to the Options shall relieve the Company of any liability with respect to the non-issuance or sale of the shares of Common Stock as to which such approval shall not have been obtained.

10. Electronic Delivery and Participation. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. You hereby consent to receive such documents by electronic delivery and agree to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

11. Addendum. Notwithstanding any provisions in this Enrollment Agreement, the Option shall be subject to any additional terms and conditions set forth in any Addendum to this Enrollment Agreement. Moreover, if you relocate to one of the countries included in the Addendum, the additional terms and conditions for such country will apply to you, to the extent the Administrator determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. The Addendum constitutes part of this Enrollment Agreement.

12. Imposition of Other Requirements. The Company reserves the right to impose other requirements on your participation in the Plan, on the Options and on any shares of Common Stock purchased upon exercise of the Options, to the extent the Company determines it is necessary or advisable for legal or administrative reasons, and to require you to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

13. No Personal Advice. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding your participation in the Plan or your acquisition or sale of shares of Common Stock. You should consult with your personal tax, legal and financial advisors regarding your participation in the Plan before taking any action related to the Plan.

14. Waiver. You acknowledge that a waiver by the Company of any provision, or breach thereof, of this Enrollment Agreement on any occasion shall not operate or be construed as a waiver of such provision on any other occasion or as a waiver of any other provision of this Enrollment Agreement, or of any subsequent breach by you or any other optionee.

15. Governing Law and Venue. This Enrollment Agreement shall be governed by and interpreted in accordance with the laws of the Commonwealth of Massachusetts, excluding choice-of-law principles of the law of such state that would require the application of the laws of a jurisdiction other than the Commonwealth of Massachusetts. For purposes of any action, lawsuit, or other proceedings brought to enforce this Enrollment Agreement, relating to it, or arising from it, the parties hereby submit to and consent to the sole and exclusive jurisdiction of the courts of the State of Massachusetts, or the federal courts for District of Massachusetts, and no other courts, where this grant is made and/or to be performed.

16. Insider Trading/Market Abuse Restrictions. In addition to the Company's insider trading policy, you may be subject to insider trading restrictions and/or market abuse laws in applicable jurisdictions which may affect your ability to, directly or indirectly, acquire, sell or attempt to sell shares of Common Stock or otherwise dispose of shares of Common Stock or rights to shares of Common Stock (*e.g.*, the Option) during such times as you are considered to have material nonpublic information or other "inside information" regarding the Company (as defined by the laws in the applicable jurisdictions or your country). You could be prohibited from (a) disclosing

the inside information to any third party, which may include fellow employees (other than on a "need to know" basis); (b) "tipping" third parties or causing them to otherwise buy or sell securities; and (c) cancelling or amending orders you placed before you possessed inside information. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under the Company's insider trading policy. You are responsible for ensuring your compliance with any applicable restrictions and should speak with your personal legal advisor on this matter.

17. Entire Agreement. This Enrollment Agreement and the Plan (and the other writings referred to herein), constitute the entire agreement between the parties with respect to the subject matter hereof and thereof and supersede all prior written or oral negotiations, commitments, representations and agreements with respect thereto.

18. Severability. If any part of this Enrollment Agreement or the Plan is declared by any court or governmental authority to be unlawful or invalid, such unlawfulness or invalidity will not invalidate any portion of this Enrollment Agreement or the Plan not declared to be unlawful or invalid. Any Section of this Enrollment Agreement (or part of such a Section) so declared to be unlawful or invalid will, if possible, be construed in a manner which will give effect to the terms of such Section or part of a Section to the fullest extent possible while remaining lawful and valid.

The applicable laws of your country may require that you report such accounts, assets, the balances therein, the value thereof and/or the transactions related thereto to the applicable authorities in such

Offer under Division 1A of Part 7.12 of the Act. **This offer is being made under Division 1A of Part 7.12 of the Act ("Division 1A"). For the purposes of Division 1A, this Enrollment Agreement is to be regarded as an ESS offer document. The information in this ESS offer document is general information only. It is not advice or information that takes into account your objectives, financial**

situation and needs. You should consider obtaining your own financial product advice from a person who is licensed by the Australian Securities and Investments Commission to give such advice.

Risk Factors. Australian residents should have regard to risk factors relevant to investment in securities generally and, in particular, to the holding of shares of Common Stock. For example, the price at which shares of Common Stock are quoted on the Nasdaq Global Select Market may increase or decrease due to a number of factors. There is no guarantee that the price of the shares will increase. Factors which may affect the price of the shares include fluctuations in the domestic and international market for listed stocks, general economic conditions, including interest rates, inflation rates, commodity and oil prices, changes to government fiscal, monetary or regulatory policies, legislation or regulation, the nature of the markets in which the Company operates and general operational and business risks.

More information about potential factors that could affect the Company's business and financial results is included in (a) the Company's latest Annual Report filed pursuant to Section 13(a) or 15(d) of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act"), or the latest prospectus filed pursuant to Rule 424(b) under the U.S. Securities Act of 1933, as amended, that contains audited financial statements for the Company's latest fiscal year for which such statements have been filed, and (b) all other reports filed pursuant to Section 13(a) or 15(d) of the Exchange Act since the end of the fiscal year covered by the document referred to in (a). In addition, you should be aware that the Australian dollar value of the shares of Common Stock you may acquire at purchase will be affected by the U.S. dollar/Australian dollar exchange rate. Participation in the Plan involves certain risks related to fluctuations in this rate of exchange.

Common Stock in a U.S. Corporation. Common stock of a U.S. corporation is analogous to an ordinary share of an Australian corporation. Each holder of a share of Common Stock is entitled to one vote for every share of Common Stock held. Dividends may be paid on the Common Stock out of any funds of the Company legally available for dividends at the discretion of the Board. The Common Stock is traded on the Nasdaq Global Select Market in the United States of America and are traded under the symbol "ADI". Shares of Common Stock are not liable to any further calls for payment of capital or for other assessment by the Company and have no sinking fund provisions, pre-emptive rights, conversion rights or redemption provisions.

Ascertaining the Purchase Price of Common Stock. Shares of Common Stock will be purchased on your behalf at 80% of the lesser of the closing price of the Common Stock on (A) the first business day of the Plan Period or (B) the Exercise Date (the "Purchase Price"). The closing price shall be (1) the closing price (for the primary trading session) on any national securities exchange on which the Common Stock is listed (currently, the NASDAQ global select market) or (2) the average of the closing bid and asked prices in the over-the-counter-market, whichever is applicable, as published in The Wall Street Journal or another source selected by the Administrator. Please note that for Australian tax purposes, market value is defined differently than Fair Market Value as used to determine the Purchase Price.

The shares of Common Stock are purchased in U.S. dollars. The Australian dollar amount required to pay the Purchase Price of the Common Stock will be that amount which, when converted into U.S. dollars on the Exercise Date, equals the Purchase Price.

You may ascertain the current market price of the Shares as traded on the Nasdaq at http://www.nasdaq.com under the code "ADI". The Australian dollar equivalent of that price can be obtained at: http://www.rba.gov.au/statistics/frequency/exchange-rates.html. *This will not be a prediction of what the market price per share of Common Stock will be on the Exercise Date or of the applicable exchange rate on the Exercise Date.*

CANADA

Terms and Conditions

Termination Date. The following provision replaces Section 9(j) of the Enrollment Agreement:

In the event of termination of your employment (for any reason whatsoever, whether or not later found to be invalid or in breach of applicable laws in the jurisdiction where you are employed or the terms of your employment agreement, if any), your right to participate in the Plan, if any, will terminate effective as of the actual Date of Termination. For this purpose, the "Date of Termination" shall mean the earlier of (1) the date your employment with the Employer is terminated for any reason; or (2) the date you receive written notice of termination from the Employer and shall not include or be extended by any period following such day during which you are in receipt of or eligible to receive any notice of termination, pay in lieu of notice of termination, severance pay or any other payments or damages, whether arising under statute, contract or at common law. For greater certainty, you will not earn or be entitled to any pro-rated purchase for that portion of time before the date on which your right to purchase terminates, nor will you be entitled to any compensation for lost ability to participate in the Plan.

Notwithstanding the foregoing, if applicable employment standards legislation explicitly requires continued participation during a statutory notice period, you acknowledge that your right to continue participating in the Plan, if any, will terminate effective as of the last day of your minimum statutory notice period.

The following provision will apply to residents of Quebec:

Data Privacy. This provision supplements the Data Privacy Provisions applicable to all Non-U.S. Participants set forth above:

You hereby authorize the Company and the Company's representatives to discuss with and obtain all relevant information from all personnel, professional or not, involved in the administration and operation of the Plan. You further authorize the Employer, the Company, and any other Designated Companies to disclose and discuss the Plan with their respective advisors. You further authorize the Employer, Company, and any other Designated Companies to record such information and to keep such information in your employee file. You acknowledge and agree that your personal information, including any sensitive personal information, may be transferred or disclosed outside the province of Quebec, including to the U.S. If applicable, you also acknowledge that the Company, the Employer and Fidelity may use technology for profiling purposes and to make automated decisions that may have an impact on you or the administration of the Plan.

Securities Law Information. The sale or other disposal of the shares of Common Stock acquired under the Plan may not take place within Canada. You will be permitted to sell or dispose of any shares of Common Stock under the Plan only if such sale or disposal takes place outside Canada on the facilities on which such shares are traded (*i.e.*, the Nasdaq).

Foreign Asset/Account Reporting Information. You are required to report any foreign specified property on form T1135 (Foreign Income Verification Statement) if the total value of the foreign specified property exceeds C$100,000 at any time in the year. Foreign specified property includes shares of Common Stock acquired under the Plan, and may include the optionees. The shares of Common Stock must be reported (generally at a nil cost) if the C$100,000 cost threshold is exceeded because of other foreign specified property you hold. If shares of Common Stock are acquired, their cost generally is the adjusted cost base ("ACB") of the shares of Common Stock. The ACB ordinarily would equal the fair market value of the Common Stock at the time of acquisition, but if you owns other shares of Common Stock, this ACB may have to be averaged with the ACB of the other shares of Common Stock. The form must be filed by April 30 of the following year. *You should consult with your personal legal advisor to ensure compliance with applicable reporting obligations.*

CHINA

Terms and Conditions

The following provision applies if you are subject to exchange control restrictions and regulations in the People's Republic of China ("PRC"), including the requirements imposed by the China State Administration of Foreign Exchange ("SAFE"), as determined by the Company in its sole discretion:

SAFE Registration Requirement. The purchase of shares of Common Stock under the Plan is conditioned on continued effectiveness of the Company's registration of the Plan with SAFE (the "SAFE Registration Requirement"). In the event that the SAFE Registration Requirement has not been met prior to any Exercise Date, any Options granted to you under the Plan will be cancelled, without any liability to the Company or any Designated Companies and any contributions that you have contributed towards the purchase of shares of Common Stock under the Plan will be refunded to you, without interest, as soon as is administratively practical.

Forced Sale of Shares. The Company has discretion to arrange for the sale of the shares of Common Stock issued under the Plan, either immediately upon settlement or at any time thereafter. In any event, if your employment with the Employer is terminated, you may be required to sell all shares of Common Stock acquired under the Plan within such time period as required by the Company in accordance with SAFE requirements, which is generally within three months following the date of your termination of employment. Any shares of Common Stock remaining in your brokerage account at the end of this period shall be sold by the broker (on your behalf and you hereby authorize such sale). You agree to sign any additional agreements, forms and/or consents that reasonably may be requested by the Company (or the Company's designated broker) to effectuate the sale of shares of Common Stock (including, without limitation, as to the transfer of the sale proceeds and other exchange control matters noted below) and shall otherwise cooperate with the Company with respect to such matters. You acknowledge that neither the Company nor the designated broker is under any obligation to arrange for the sale of shares of Common Stock at any particular price (it being understood that the sale will occur in the market) and that broker's fees and similar expenses may be incurred in any such sale. In any event, when the shares of Common Stock are sold, the sale proceeds, less any withholding of Tax-Related Items, broker's fees or commissions, and any similar expenses of the sale will be remitted to you in accordance with applicable exchange control laws and regulations.

Due to fluctuations in the price of the shares of Common Stock and/or the U.S. Dollar exchange rate between the Exercise Date and (if later) the date on which the shares of Common Stock are sold, the sale proceeds may be more or less than the fair market value of the shares of Common Stock on the Exercise Date (which is the amount relevant to determining any Tax-Related Items). You understand and agree that the Company is not responsible for the amount of any loss you may incur and that the Company assumes no liability for any fluctuation in the price of shares of Common Stock and/or U.S. Dollar exchange rate.

Shares Must Remain With Company's Designated Broker. You agree to hold any shares of Common Stock acquired under the Plan with the Company's designated broker until the shares of Common Stock are sold. The limitation shall apply to all shares of Common Stock issued to you under the Plan, whether or not you remain employed by the Employer.

Exchange Control Obligations. You understand and agree that you will be required to immediately repatriate to China the proceeds from the sale of any shares of Common Stock acquired under the Plan and any cash dividends paid on such shares of Common Stock. You further understand that such repatriation of proceeds may need to be effected through a special bank account established by the Company (or a Designated Company), and you hereby consent and agree that any sale proceeds and cash dividends may be transferred to such special account by the Company (or a Designated Company) on your behalf prior to being delivered to you and that no interest shall be paid with respect to funds held in such account.

The proceeds may be paid to you in U.S. dollars or local currency at the Company's discretion. If the proceeds are paid to you in U.S. dollars, you understand that a U.S. dollar bank account in China must be established and maintained so that the proceeds may be deposited into such account. If the proceeds are paid to you in local currency, you acknowledge that the Company (and its Designated Companies) are under no obligation to secure any particular exchange conversion rate and that the Company (and its Designated Companies) may face delays in converting the proceeds to local currency due to exchange control restrictions. You agree to bear any currency fluctuation risk between the time the shares of Common Stock are sold and the net proceeds are converted into local currency and distributed to you. You further agree to comply with any other requirements that may be imposed by the Company (or its Designated Companies) in the future in order to facilitate compliance with exchange control requirements in China.

SPAIN

Terms and Conditions

Nature of Grant. The following provision supplements Section 9 of the Enrollment Agreement:

By enrolling in the Plan, you acknowledge that you have received a copy of the Plan. You understand that the Company has unilaterally, gratuitously, and discretionarily decided to offer the Plan to individuals who may be employees of Designated Companies throughout the world. The decision is a temporary decision that is entered into upon the express assumption and condition that any grant of Options will not economically or otherwise bind the Company or any other Designated Companies presently or in the future, other than as expressly set forth in the Enrollment Agreement. Consequently, you understand that any grant of Options is made on the assumption and condition that it shall not become a part of any employment contract (either with the Company or any other Designated Companies) and shall not be considered a mandatory benefit, salary for any purpose (including severance compensation), or any other right whatsoever. Further, you understand and freely accept that the Company does not guarantee that any benefit

[1] A shadow director is an individual who is not on the board of directors of the Singapore Affiliate or Subsidiary but who has sufficient control so that the board of directors of the Singapore Affiliate or Subsidiary acts in accordance with the directions or instructions of the individual.

whatsoever shall arise from the Option, which is gratuitous and discretionary, since the future value of the shares of Common Stock is unknown and unpredictable. Finally, you understand that the Company would not be making this grant of Options but for the assumptions and conditions referred to above; thus, you expressly acknowledge and freely accept that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason, then the grant of Option shall be null and void and the Plan shall not have any effect whatsoever.

You understand and agree that, as a condition of your participation in the Plan, the termination of your employment for any reason will automatically result in the cancellation of any Option granted to you under the Plan. APPENDIX A

EMPLOYER STATEMENT - DENMARK

Pursuant to section 3(1) of the Danish Act on the Use of Rights to Purchase or Subscribe for Shares etc. in Employment Relationships, as amended as of January 1, 2019 (the "Stock Option Act"), you are entitled to receive the following information regarding the offer of Options to purchase shares of Common Stock under the Plan in a separate written statement. This statement contains only the information mentioned in the Stock Option Act; the other terms and conditions of your offer to participate in the Plan are described in detail in the Enrollment Agreement and the Plan. Capitalized terms used but not defined herein shall have the same meaning as terms defined in the Enrollment Agreement or the Plan.

1. Date of the Offer

Provided you are eligible to participate in the Plan and decide to enroll in the Plan, you will be granted an Option to purchase Shares on each Offering Commencement Date.

For each Plan Period during an Offering, you may elect to have payroll deductions taken in any percentage amount (in whole percentages) at a minimum of 1% up to a maximum of 20% of the Compensation you receive during the Plan Period. Your participation in the Plan is subject to the additional terms and conditions provided in the Plan and the Enrollment Agreement.

2. Terms and Conditions of the Offer

The Plan is offered at the discretion of the Company. The Company may amend, suspend or terminate the Plan at any time and without the consent of participating employees, to the extent set forth in the Plan.

3. Exercise Date

On each Exercise Date, shares of Common Stock will be automatically purchased for you with your accumulated payroll deductions. The number of shares purchased will depend upon the Option Price and the amount of your accumulated payroll deductions. You will become the immediate owner of the shares purchased and you may generally then sell your shares at any time, subject to the Company's Insider Trading Policy and any applicable blackout period.

4. Option Price

The Option Price for shares of Common Stock purchased under the Plan is 80% of the lower of (i) the closing price of the Common Stock on the first business day of the Plan Period or (ii) the closing price of the Common Stock on the Exercise Date.

5. Your Rights upon Termination of Service

In the event of your termination of employment for any reason or for no reason, any outstanding Option will be terminated and you will no longer be able to purchase shares of Common Stock under the Plan. The Company will refund the amount then credited to your account in cash, without interest, as soon as practicable following your termination.

6. Financial Aspects of Participating in the Plan

Aside from the payroll deductions which will start after you enroll in the Plan, the Offering has no immediate financial consequences for you. The value of the Common Stock purchased for you under the Plan is not taken into account when calculating severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, long-service awards, leave-related payments, holiday pay, pension or retirement or welfare benefits or similar payments calculated on the basis of salary.

Shares of Common Stock are financial instruments and investing in the shares will always have financial risk. The possibility of profit at the time you sell your shares will be dependent not only on the Company's financial development, but also on the general development of the stock market, among other things. In addition, after you purchase the shares of Common Stock, the shares could decrease in value even below the Option Price. The future value of the Common Stock is unknown, indeterminable and cannot be predicted with certainty.

7. Other Issues

This statement does not intend to alter any provisions of the Plan or the Enrollment Agreement (or any related document), and the Plan and the Enrollment Agreement (and any related document) shall prevail in case of any ambiguities. However, your mandatory rights under the Stock Option Act shall prevail in case of any ambiguities.

ARBEJDSGIVERERKLÆRING - DANMARK

I henhold til § 3, stk. 1, i lov om brug af køberet eller tegningsret m.v. i ansættelsesforhold som ændret pr. 1. januar 2019 ("Aktieoptionsloven") er du berettiget til i en særskilt skriftlig erklæring at modtage følgende oplysninger om tilbuddet om Optioner på køb af Ordinære Aktier i henhold til Ordningen. Denne erklæring indeholder kun de oplysninger, der er nævnt i Aktieoptionsloven. De øvrige vilkår og betingelser for tilbuddet om deltagelse i Ordningen er nærmere beskrevet i Tilmeldingsaftalen og i Ordningen. Begreber, der står med stort begyndelsesbogstav i denne arbejdsgivererklæring, men som ikke er defineret heri, har samme betydning som i Tilmeldingsaftalen, hhv. Ordningen.

1. Dato for Udbuddet

Forudsat du er berettiget til deltagelse i Ordningen og beslutter dig for at tilmelde dig denne, vil du på hver Udbudsstartdato (*Offering Commencement Date*) blive tildelt en Option på køb af Aktier.

Du kan for hver Ordningsperiode (*Plan Period*) inden for et Udbud vælge ved løntræk at afsætte en procentdel (som skal være et helt tal og skal være mindst 1% og højst 20%) af det Vederlag, du modtager i den pågældende Ordningsperiode. Din deltagelse i Ordningen er omfattet af de yderligere vilkår og betingelser, som fremgår af Ordningen og Tilmeldingsaftalen.

2. Udbudsvilkår og -betingelser

Ordningen udbydes efter Selskabets eget skøn. Selskabet kan til enhver tid ændre, suspendere eller ophæve Ordningen uden samtykke fra de deltagende medarbejdere, i det omfang det fremgår af Ordningen.

3. Udnyttelsesdato

På hver Udnyttelsesdato vil der automatisk blive købt Ordinære Aktier til dig for det akkumulerede beløb, der er fratrukket dine lønudbetalinger. Antallet af købte aktier vil afhænge af Optionskursen og størrelsen af det akkumulerede beløb. Du bliver den umiddelbare ejer af de købte aktier, og du vil generelt til enhver tid kunne sælge dine aktier, dog med forbehold for overholdelse af Selskabets Politik om Insiderhandel samt eventuelle blackout-perioder.

4. Optionskurs

Optionskursen for Ordinære Aktier, der købes i henhold til Ordningen, vil være 80 % af det laveste af (i) lukkekursen for Ordinære Aktier på den første bankdag i Ordningsperioden og (ii) lukkekursen for Ordinære Aktier på Udnyttelsesdatoen.

5. Din retsstilling i forbindelse med fratræden

Hvis dit ansættelsesforhold ophører, uanset årsag, vil en eventuel udestående Option bortfalde, og du vil ikke længere være berettiget til at købe Ordinære Aktier i medfør af Ordningen. Selskabet vil i så fald udbetale det på fratrædelsestidspunktet på din konto indestående beløb, uden renter, hurtigst muligt efter fratrædelsen.

6. Økonomiske aspekter ved at deltage i Ordningen

Bortset fra de fradrag i din løn, der starter, når du tilmelder dig Ordningen, har Ordningen ingen umiddelbare økonomiske konsekvenser for dig. Værdien af de i henhold til Ordningen købte Ordinære Aktier indgår ikke i beregningen af fratrædelses-, ophørs-, eller afskedigelsesgodtgørelse, bonus- eller loyalitetsbetalinger, orlovsbetalinger, feriepenge, pensionsydelser, sociale ydelser eller i beregningen af lignende vederlagsafhængige betalinger.

Aktier er finansielle instrumenter, og investering i aktier vil altid være forbundet med en økonomisk risiko. Muligheden for en gevinst på det tidspunkt, hvor du sælger dine aktier, afhænger ikke alene af Selskabets økonomiske udvikling, men også af bl.a. den generelle udvikling på aktiemarkedet. Derudover vil aktiernes værdi efter købstidspunktet kunne falde, endda muligvis til en værdi, der er lavere end Optionskursen. Den fremtidige værdi af de Ordinære Aktier kendes ikke og kan ikke forudsiges med sikkerhed.

7. Øvrige oplysninger

Denne Erklæring har ikke til formål at ændre bestemmelserne i Ordningen eller Tilmeldingsaftalen (eller i dertil hørende dokumenter), og Ordningen og Tilmeldingsaftalen (og de dertil hørende dokumenter) har forrang i tilfælde af uoverensstemmelser. Dine lovfæstede rettigheder i henhold til Aktieoptionsloven har dog forrang i tilfælde af eventuelle uoverensstemmelser.
